More information

T/Sgt Eldon L. Hudson enlisted in Peoria, Illinois on 19 March 1943.

Two engines were hit and damaged by flak. According to the last word received from the crew, they were heading towards Holland and had decided to abandon the plane in the North Sea and await an Air Rescue. No further communication was received.

The entire crew of nine men was killed.

Official Statement of Thomas C.S. Houser, 2nd Lt, Air Corps:

"This aircraft was last seen with two engines out on 4 November 1944 at 53°52'N - 07°00'E at 1322 hours. At 1342 hours it was reported that he was calling for Air Sea Rescue at 53°48'N - 05°40'E. Reports over VHF stated that he would try to make Holland but then decided to ditch. No further confirmed reports were received from this aircraft and therefore it is not known whether it ditched or made a landing safely."

T/Sgt Hudson was officially declared dead one day and one year after he was reported missing in action.

He is remembered at the Glen Cemetery, Paxton, Ford County, Illinois.
