## More information

---

1st Lt. Joseph F. Palmer graduated from South Shore High School at the age of 16 in 1936. He graduated from Duquesne University with a major in Business and worked at Stratman accounting.

He volunteered for the Air Corps of the Army of the United States as an aviation cadet in Pittsburg, Pennsylvania on 18 December 1941.

Because the primary target at Hamburg was obscured by clouds, scattered attacks were made on targets of opportunity in northwest Germany.

The airplane was shot down by enemy fighters. Three crew members survived and were taken prisoner, seven men were killed.

Notes about the pictures: the third picture shows Lt Parker as a 16 year old high school graduation student in 1936. The fourth picture shows him together with his brother Charles during a reunion in 1943 in England.
